

MY JOB IS DONE?

• New problem with discoverability

- 100s of palettes, hard to find a new one without using r-color-palettes

• still using same palettes

MY JOB IS DONE?

- New problem with discoverability
- 100s of palettes, hard to find a new one without using r-color-palettes
- Still using same palettes

PLAN

- Develop tool to find palette that “looks like” palette you present.
